

The family of God is growing much, globally! Having a global perspective can be motivating for a Gospel bearer, especially if one lives in a society that is flat or declining in the way of Gospel expansion.

- **These book resource are helpful in having a Global Perspective:**
  - Church Planting Movements (PDF version available free on-line) by David Garrison
  - Superplan: A Journey into God's Story by Chris Clayman--- founder of Global Gates; director of Joshua Project (*inspirational story about outreach to Muslims*)
- **Learn about unreached people groups** → [JoshuaProject.net](http://JoshuaProject.net)
- **From your own couch, do Gospel outreach around the world:**
